2. 18.11.2008 Heard.

The case is under Sections 498A, 323,341,420/34 of the Indian Penal Code and Sections 3 and 4 of the Dowry Prohibition Act. The allegation is that concealing his previous marriage and children as also giving a false impression that he was in the Security Force of the Rashtrapati Bhawan, the petitioner married the informant. When the lady was taken to Delhi, she came to learn about the truth of the petitioner and thereafter the lady was brought to the house of the petitioner at Biharsharif where the petitioner started demanding the dowry of Rs. 1,00000/- and for not bringing the same the lady was badly beaten up. There were visible injuries on the body of the lady as appears indicated by the rejection order.
